Dear Ladies and Gentlemen:

We are making the following changes to your permit in our compliance system:

Revision

- 1) CSO station 2PE00000034 was inadvertently omitted from Part I,B, Item 2. This station has been added.
- 2) A typographical error Part I,B, Item 2 incorrectly indicated the monitoring table represented CSO station 2PE00000002. The table in Item 2 represents CSO station 2PE00000007 and the typographical error has been corrected to reflect this. CSO station 2PE00000002 is correctly represented in Part I,B, Item 1.

When the modification is effective, the Ohio EPA permit number will be changed to **2PE00000*PD**. The application number will remain OH0026069. Attached is a copy of the updated NPDES permit. If you have any questions, please contact me at (614) 728-3846.

Sincerely,
